COMMUNITY SUPPORT

We are involved with our local communities and are committed to supporting affordable housing, environment, youth and education, arts and culture, healthy communities, and community building. We make a difference in the lives of people everyday! The following is just a sample of what we do to give back to our communities right here where we all live.

AFFORDABLE HOUSING

At Affinity, we want to make affordable housing a reality in our communities. That's why we donated \$10,000 to the High School Carpentry Apprenticeship Program (H-CAP) at Mount Royal. Through the program, students help to build a home with Habitat for Humanity.

HEALTHY COMMUNITIES

Affinity is involved with various organizations that are helping people in our communities who face difficult health issues. Staff held various fundraising events and entered a team in the Relay for Life event and raised \$10,920 for the Canadian Cancer Society.

Affinity also provided \$5,000 to Hope Cancer Help Centre.

EDUCATION AND LEARNING

Investing in education is the best way to ensure a strong future for our community. Affinity provided \$6,000 to help young people learn new skills at the Core Neighbourhood Youth Co-op.

COMMUNITY BUILDING

It is a tradition for Affinity staff volunteers to serve lunch to families and individuals in need at the Friendship Inn on the United Way Day of Caring.

Affinity is strongly involved in the grassroots of its communities and enters a float in all the community parades held throughout the summer.

MEMBER APPRECIATION

At Affinity we love having BBQs for our members. During the summer you'll find our managers serving burgers at our branch member appreciation days. It's just our small way to say thank you.

ARTS AND CULTURE

At Affinity Credit Union, we believe arts and cultural experiences should be accessible to all. We donated \$9,500 to the Mendel Art Gallery ArtforLife program which provides community schools in Saskatoon enhanced support for the visual arts.

"Our commitment to community is at the very heart of our business. In addition to providing quality financial services to our members, we are dedicated to contributing to the well-being of our local community in which we live, work and play."

— George Kater, CEO
