LOCAL GOVERNANCE – Service and Commitment Close to Home

Affinity's District Council Delegates are elected by members in their local communities. They play a powerful role in the governance of the credit union.

Delegates use their local knowledge and established community relationships to provide strength to our local communities and ensure the local member's voice is heard. Delegates guide the credit union in support of a variety of local events.

COMMUNITY SUPPORT

We are involved with our local communities and are committed to supporting affordable housing, environment, youth and education, arts and culture, healthy communities, and community building. We make a difference in the lives of people everyday! The following is just a sample of what we do to give back to our communities right here where we all live.

HEALTHY COMMUNITIES

To underline Affinity's commitment to creating a healthier community, Affinity donated \$3,500 to Davidson Fire Department to purchase Jaws of Life.

Affinity is also involved with various organizations that are helping people in our communities who face difficult health issues.

Staff in Watrous held a bake sale and donated the proceeds to the Canadian Breast Cancer Society.

Staff in Strasbourg and Bulyea entered a team in the Relay for Life and raised \$6,406 for the Canadian Cancer Society.

MEMBER APPRECIATION

Member appreciation days are a chance for us to give back to our communities. We hold BBQs in all our communities throughout the summer each year.

Top: Staff at Bulyea serve hamburgers to members.

Bottom: Tyler Pisiak, Business Development Manager, in charge of the grilling at Kenaston.

COMMUNITY BUILDING

A sustainable society places a high priority on the well-being of every individual. That's why Affinity provided \$5,000 to support improvements at the Davidson Golf and Country Club.

"Our commitment to community is at the very heart of our business. In addition to providing quality financial services to our members, we are dedicated to contributing to the well-being of our local community in which we live, work and play."

— George Kater, CEO
