## LOCAL GOVERNANCE – Service and Commitment Close to Home

Affinity's District Council Delegates are elected by members in their local communities. They play a powerful role in the governance of the credit union.

Delegates use their local knowledge and established community relationships to provide strength to our local communities and ensure the local member's voice is heard. Delegates guide the credit union in support of a variety of local events.

## COMMUNITY SUPPORT

We are involved with our local communities and are committed to supporting affordable housing, environment, youth and education, arts and culture, healthy communities, and community building. We make a difference in the lives of people everyday! The following is just a sample of what we do to give back to our communities right here where we all live.

**HEALTHY COMMUNITIES**  
Affinity is involved with various organizations that are helping people in our communities who face difficult health issues. Affinity presented \$10,000 to Hope's Home, the first medical day care in Canada providing community service for medically fragile children and their families.

**From left:** Kevin Haas, Business Development Manager; Jacqueline Tisher, Executive Director, Hope's Home; and Gordon Perkins, Affinity District Council Delegate, Scarsh Street.

Affinity provided \$10,000 to the Cosmopolitan Learning Centre to support hydrotherapy pools for people with high needs and disabilities.

Staff entered a team in the Relay for Life and raised \$6,406 for the Canadian Cancer Society.

**MEMBER APPRECIATION**  
Member appreciation days are a chance to give back to our communities. We hold barbecues in our communities throughout the year.

**AFFORDABLE HOUSING**  
Affinity Credit Union is committed to making affordable housing a reality in our community. That's why we donated \$50,000 to the Musical Ride to help the RCMP build the first Mountie House in Regina for a deserving family.

**COMMUNITY BUILDING**  
A sustainable society places a high priority on the well-being of every individual. That's why we donated funds to the Milestone Assisted Living Program to purchase a TV to help with their exercise programs.

*"Our commitment to community is at the very heart of our business. In addition to providing quality financial services to our members, we are dedicated to contributing to the well-being of our local community in which we live, work and play."*
