LOCAL GOVERNANCE – Service and Commitment Close to Home

Affinity's District Council Delegates are elected by members in their local communities. They play a powerful role in the governance of the credit union.

Delegates use their local knowledge and established community relationships to provide strength to our local communities and ensure the local member's voice is heard. Delegates guide the credit union in support of a variety of local events.

COMMUNITY SUPPORT

We are involved with our local communities and are committed to supporting affordable housing, environment, youth and education, arts and culture, healthy communities, and community building. We make a difference in the lives of people everyday! The following is just a sample of what we do to give back to our communities right here where we all live.

HEALTHY COMMUNITIES

Affinity is involved with various organizations that are helping people in our communities who face difficult health issues. Staff took part in the Heart and Stroke Foundation's Big Bike event and pedaled through Kamsack this summer raising \$5,131 for the charity. Staff also raised \$640 in a hot dog sale.

COMMUNITY BUILDING

Affinity is strongly involved in the grassroots of its communities. That's why we entered a float in the Kamsack Homecoming Parade and provided a pancake breakfast for local members.

LEARNING AND EDUCATION

Investing in education is the best way to ensure a strong future for our community. Affinity supports various learning and education opportunities for young people each year.

Top: \$250 scholarship to a graduate of Norquay school

Middle: \$250 scholarship to a graduate of Fort Livingstone School in Pelly

Bottom: Affinity provided a mountain bike to a student in recognition of receiving the highest academic standing in Grade 6 at Keesekeoose Chiefs Education Centre.

"Our commitment to community is at the very heart of our business. In addition to providing quality financial services to our members, we are dedicated to contributing to the well-being of our local community in which we live, work and play."

— George Kater, CEO
